

Kristyn is the lead Physician Assistant in the Department of Cardiothoracic Surgery at Children's Hospital of Pittsburgh of UPMC. She graduated from Duquesne University in 2004 with a Masters of Physician Assistant. After graduating she practiced as a PA in Pediatric Cardiothoracic Surgery at Rainbow Babies and Children's Hospital in Cleveland, Ohio with a concentration in surgery and ICU care. In 2006, she returned to Pittsburgh as a member of the Pediatric Cardiothoracic Surgery Department at Children's Hospital in Pittsburgh, where she continues to practice. Her responsibilities include assisting in the operating room, post-operative care of patients on the acute care floor, outpatient clinic visits, research as well as precepting students. She has served as Treasurer, President-Elect, President and now Past President of SPAP. Her favorite activities involve spending time with her husband and two children, Colin and Charlotte.
