

Brian graduated from the Duke University PA Program in 1999. He worked in primary care pediatrics in rural North Carolina for 3 years, before moving to Atlanta and joining the staff at Children's Healthcare of Atlanta in both primary care and urgent care. In 2005 he joined Georgia Pediatric Pulmonology Associates, affiliated with Children's Healthcare of Atlanta at Scottish Rite, and still does pediatric urgent care a few times a month. Brian is a certified PALS instructor, volunteers at asthma camp, and coordinates student rotations. He enjoys teaching and has given numerous lectures on pediatric pulmonary topics at national meetings and for hospital staff. Brian is also a Distinguished Fellow of the AAPA.
